

# GEORGE LAKE

REHABILITATION  
DISTRICT

## MEETING MINUTES FOR MAY 18, 2001

The meeting was called to order at 7:04 p.m, followed by the pledge of allegiance. All board members and 15 residents were in attendance. The minutes from the February meeting were read, motioned to approve by Bill Blazich, seconded by Bill Serritella.

**PRESIDENT**  
Steve Tarsa

The treasurer's report was read by Michelle Blazich. Marcia Nolan motioned to approve and seconded by Carl Shroeder.

**TREASURER**  
Michele Blazich

Harvester committee reported that we have begun weed harvesting earlier than any other year (as of May 11, 2001) and anticipate an active and productive season.

**SECRETARY**  
Julie Serritella

Watershed committee report was read by Bill Blazich and reported that we are still in need of supplies for the beetle rearing (such as kiddie pools and 5 gallon buckets). Kenosha News has indicated it's interest in reporting on our districts success in loosestrife control. Bill has indicated we are in need of a self-help monitor to test our water since his schedule doesn't permit him to test at the optimal time periods.

**HARVESTER COMMITTEE**

**CHAIRMAN**  
Rich Gossling

**SPECIAL PROJECTS  
COMMITTEE CHAIRMAN**  
Susie Tarsa

Special projects committee reported that the annual flower sale was aborted because both flower suppliers went bankrupt due to high prices of gas for heating the greenhouses over the winter.

Old business consisted of discussing the information that was presented at the annual Wisc. Lakes conference in March.

**WATERSHED  
COMMITTEE CHAIRMAN**  
Bill Blazich

New business discussed was mosquito abatement plans. It was determined that DNR regulations are prohibitive in most areas and the funds would need to come from our district's budget. The benefits of maintaining habitats for Purple Martins and bats would help control the mosquito population.

**BOARD MEMBERS**  
Rich Gossling

Parking along the roadsides and beaches were also discussed. The district agreed that more enforcement is needed to reduce speeding and patrol the no park zone.

Pearl Seavitte mentioned she has invited a DNR agent to speak to citizens at a meeting in June.

The Chairman position will be up for election at the next annual meeting.

The date of August 24th was set for our next meeting and the meeting was motioned to adjourn by Bill Homan, seconded by Bill Serritella and adjourned at 7:48 p.m.

minutes submitted by Julie Serritella, secretary
